PROSPECTUS

—OF—

ST. BENEDICT'S COLLEGE,

ATCHISON, KANSAS.

This institution, conducted by the Benedictine Fathers, was founded in the year 1859. It is incorporated under the laws of the State of Kansas, empowering it to confer academical honors.

The location of the College is delightful and healthy, commanding a magnificent view of the Missouri river and the surrounding country; the buildings are large and commodious; the grounds are extensive and at all seasons afford ample facilities for outdoor amusement and exercise.

Owing to the perfect railroad system of Atchison, the College is readily accessible from all the surrounding States and the Territories.

The object of this institution is to impart to young men a thorough moral and mental training, so as to fit them for any position in life.

COURSE OF INSTRUCTION.

The plan of instruction embraces two regular and distinct courses—the Classical and the Commercial.

THE CLASSICAL COURSE is designed to impart a thorough knowledge of the English, the Latin, and the Greek languages; of Mental and Moral Philosophy; of Pure and Mixed Mathematics; and of the Physical Sciences. It is completed in six years.

THE COMMERCIAL COURSE is designed to impart a thorough commercial, or business education. It embraces English Grammar, Composition, Elocution, Commercial Law, Book-keeping, Arithmetic, Algebra, Geometry, Geography, History, and Penmanship. It is completed in three years.

COURSE OF STUDIES FOR THE CLASSICAL DEPARTMENT.

GENERAL REGULATIONS.

The Academical Year consists of two sessions of five months each,—the first beginning on the first Tuesday of September and ending on the first of February; the second beginning on the first of February and ending the last week of June. An examination of one week's duration is held at the end of each session, and reports are sent to the parents or guardians at the end of each quarter, to inform them of the conduct, health, and improvement of their sons or wards.

When a student presents himself for admission, which is granted at any time of the year, he is examined and assigned to the class for which his acquirements qualify him. After the first month no one will be received for admission into the first Latin Class, unless his previous studies will enable him to go on with the class.

Every student must be provided with three suits of clothes, six shirts and three flannel shirts, eight pair of socks, six pocket handkerchiefs, three pair of shoes or boots, two pair of slippers, one pair of swimming drawers, two cotton clothes-bags, four napkins and towels, and all articles necessary for toilet. Linen must be marked with the name in full.

The exercises of religious worship are Catholic, and every student is required, for the sake of order and uniformity, to attend them.

At Christmas, students are allowed a recess of ten days, beginning on the 24th of December and ending on the 2d of January.

It is to be wished that students be not withdrawn on this occasion; yet, should any one obtain leave of absence, and not return before or on the day appointed for the resumption of class exercises, unless he be prevented by some extraordinary cause, he will lose all claim to honors for that Academic Year.

DAY-SCHOLARS.

As the desired progress of day-scholars greatly depends on their regular attendance at class and their private studies at home, they should never be kept from school except for very grave reasons; and their private studies, to which from two to three hours ought to be devoted every evening, should be watched over with great care.

DEGREES.

The degree of A. B. is conferred on such students as have completed the Classical Course and have passed a satisfactory examination. The candidate for the degree of Bachelor of Arts must undergo an examination in Rational and Natural Philosophy and Chemistry, and must be well acquainted with Latin, Greek, German or French, and Mathematics. He is also required to write an essay on a literary or scientific subject, a copy of which must be left at the College. If he remains in College and pursues the higher branches of Rational and Natural Philosophy, or if he graduates in any learned profession after completing the above course of collegiate studies, he may receive the degree of Master of Arts.

Students passing a satisfactory examination in all the branches prescribed in the Commercial Course, may receive the title of Master of Accounts.

SPECIAL REGULATIONS.

1. Students should at all times be obedient and respectful to the Officers and the Professors of the College, observe habitual politeness towards each other, and always and in all places observe the rules of propriety.

2. Students must have explicit permission: To leave the College premises; to attend calls from visitors; to absent

themselves from regular exercises; to speak with a fellow student during study-hours; to open the desk of another in the absence of the owner; to leave the study-hall during study-hours; to absent themselves from any of the regular classes; to visit a Professor's room; or, to do anything else whatsoever out of the general routine.

3. All students, whether boarders or day-scholars, who after an absence of several days from regular class exercises, return to the institution, shall invariably report to the President before they enter the study-hall.

4. Students should at all times be where duty calls them; thus: during study-hours, they are to be in the class-room or the study-hall; during hours of recreation, they are to be on the play grounds, if the weather permits; else, in whatever other place that may be assigned them for general assembly and recreation.

5. No student shall retain money in his possession.

6. Strict silence is to be observed during study and class-hours, when going to and coming from church, dining-room, and class-rooms, at table, in the dormitories, washrooms, and closets.

7. The use of tobacco in any form is strictly prohibited.

8. Students will be held responsible for any damage they do to property.

9. No student is allowed to lend, borrow, or exchange personal effects of any kind.

10. Waste-paper and other debris must be thrown into the waste-basket.

11. In case of absence from any regular class-exercise, the student must notify the respective Professor of the cause of his absence at the earliest opportunity, at latest at the next recitation.

12. Books, papers, periodicals, etc., may be read only with the approval of the Prefect, and only at such times as he shall specify.

13. When students become aware of the loss of anything, they shall at once notify the Prefect.

14. All linens must be distinctly marked with the owner's name in full. Soiled linens to be sent to the laundry, must be done up carefully in a bundle, and the name and the number of pieces be noted down in each one's laundry-book.

15. For indoor wear, students should use light boots, shoes, or slippers.

16. Letters and other correspondence should be written only on Saturdays and Sundays; and all communications, whether sent or received, are subject to the inspection of the President.

17. On days of general Communion, all the students who have already made their first holy Communion, are to approach, during the Holy Mass at which they usually assist.

18. Day-scholars, who intend to leave the College before the expiration of a term, must notify the President of their intention.

19. Day-scholars shall be at the College at 8 a. m. In case of tardiness or absence they shall bring a note from parents or guardians, explaining the cause.

20. Day-scholars are forbidden to take out letters, or to perform any other errands for boarders.

21. Day-scholars not going home for their meals, are not permitted to leave the College premises during recreation.

No money is advanced by the Institution for clothing, books, or other wants of the students; to meet such incidental expenses, a sufficient sum must be deposited with the Treasurer.

MEMORIAL SCHOLARSHIP.

The attention of students is called to the fact that a free scholarship has been founded as a lasting memorial of the fourteen hundredth anniversary of the birth of St. Benedict. It is intended by this foundation to offer some apt, diligent and deserving student an opportunity of finishing his Classical Course gratis. The privilege of the scholarship is open to students from all quarters, and will be awarded to whoever shall score the highest number of points in a competitive examination. All that desire to avail themselves of this opportunity will please take notice of the following points:

- 1st. Applicants must study with a view to the priesthood;
- 2d. They must have studied Latin not longer than two years;
- 3d. Their conduct must be irreproachable;
- 4th. Their standing in Latin must be good.

For a nearer determination of what is required under the last head, it is here added, that applicants must know Latin Etymology well, with exceptions; in Syntax, they must be familiar with the use of the Cases, and the principal rules pertaining to the Modes and the Tenses of the Latin verb. They must, moreover, be able to translate readily and without mistake whatever they may have read. In addition to the above, they must have a good knowledge of the Etymology and the Syntax of the English tongue, must be able to write a middling fair composition, and be thorough in Catechism.

All that intend to compete for the scholarship must notify the President of the College not later than the 15th of August. On receiving this notice, each applicant will be informed of the time when the competitive examination will be held. The successful candidate will be entitled to free tuition in the Classical Course, and board for a period of three years. This competitive examination will occur every third year, at the expiration of the term of this benefice.

CHRONOLOGICAL EVENTS.

The Scholastic year of 1880-81 opened September 5. During the preliminary examinations, seventy-three students were enrolled. Three professors were added to the staff. The only change made was to increase the number of hours for recitation in English grammar.

The students' annual retreat was held October 15, 16 and 17, and was conducted by Rev. Father Peter.

December 2, Rt. Rev. Innocent Wolf, Abbot, and President of the College, returned from his European tour after an absence of nearly eight months. He was received in accordance with the rite prescribed by *Ceremoniale Episcoporum*, after which the professors, community, and students tendered him their congratulations and welcome.

December 18, Rev. Prof. Winfried met with a painful, though happily not a serious accident. He was staying for the night at the College farm, and not being familiar about the premises, he stepped off the porch in the dark, and in the fall fractured his collar-bone. Prompt treatment and careful nursing wrought a speedy cure, so that by January 6, he was able to attend to his duties again.

The winter was very long and severe, and wore away heavily. It told on the students as the season advanced, and even late in March they longed for the occasional bright days ordinarily enjoyed in February.

April 7 the Director, Rev. Peter Kassens, was appointed head pastor of the Atchison parish.

May 24 was the student's May-Day. Owing to the extraordinary and unprecedented magnitude of the spring rise in the Missouri river, the entire bottom to the bluffs had been inundated, and the roads to the lake were thus in an impassable condition; on this account the day, which is usually spent at the lake, was put in at Woodland Park.

The health of the students was good throughout. Early in spring there were some few stubborn cases of malarial fever, which compelled two to discontinue their studies for a time.

The reading library received a handsome increase from a generous friend, who wishes to remain unknown. The donation comprises one hundred and eleven volumes, embracing fiction, history, geography, travels, and natural sciences. Hon. Nicholas Ford, M. C., also presented some valuable works to the College Library.

The number of students increased steadily until the middle of January, when the number in actual attendance was one hundred. To commemorate the event the students solicited and obtained a free-day. At the end of the third quarter, the number had decreased to eighty. On Commencement Day seventy-seven students answered to their names at roll-call.

The final examinations began June 17 and were concluded June 22. June 23 was appointed as Commencement Day. The exercises were brought to a close by a solemn High Mass.

The address to the students was given by the President. The valedictory was delivered by Anselm Sheehy.
